The lounge area offers a dedicated waiting space for clients and can be utilised as extended floor space as part of a Studio booking

If you require sole use of the lounge area, we recommend booking the Studio space to prevent any disturbance. However, this is rarely needed.

How it works.

Hourly Rates Explained :

- The first 30 minutes is £10.
- Sessions extending beyond 30 minutes are charged at the full hourly rate of £16.
- Additional time is charged in 30-minute increments at £8.
- Each booking includes a 10-minute buffer before and after your session for preparation and tidy-up. If client time extends beyond your booked slot, additional charges will apply.

Examples:

- 1 Book 30mins = £10
- 2 Book 30min and extend by 15mins. The final charge will be for an hour = £16.
- 2 Book 2.5 hours hire: 2 hours at £16 & 30mins at £8 = £40

8 hour Package Explained:

- Designed for practitioners who require regular space, this package offers a 20% saving compared to booking 8 hours individually.
- Hours can be used flexibly across the month.
- Additional hours are charged at the standard hire rates, or you may purchase additional 8-hour packages as needed.
- Packages are subject to a 6-month commitment.
- Unused hours do not roll over.
- Payment is due before the start of each month.

Example - Exceeding Your 8-Hour Package

8-hour package → £100 (paid at the start of the month)

Additional 3 hours at £16 per hour → £48

Total for the month → £148

When you join us, you'll receive:

- A professional listing on the Studio website
- One dedicated social media post each month promoting your services
- Direct referral of relevant enquiries we receive
- Access to shared studio amenities, including refreshments for you and your clients

To get started, we'll ask you to provide a short bio, details about your services, and a few professional images. Your monthly post will be created from this content and shared consistently to promote your work.

If you'd like additional promotional support, we're always happy to discuss tailored options.

Additional Support Options :

We can also support you with:

- Integration into our booking and payment system (subject to discussion, as each practitioner operates differently)
- Additional social media promotion to help grow your visibility
- Bespoke promotional or growth support tailored to your service

As every practitioner has a unique business model, these options are discussed individually and quoted separately.

A well-equipped teaching and workshop space, including TV, high-speed Wi-Fi, tables and chairs to suit your session needs.

A supportive and professional environment to connect with others and grow your client base.

The Real Birth Studio is a purpose-designed space for professionals offering maternity, wellbeing and family-centred care services.

Collaboration, community and shared purpose are what make the Studio work so well.
